

# WE JUST MADE RIDING IN ITALY 20% EASIER.

No, the Italian hills haven't gotten any easier, but thanks to our new partnership with Carmichael Training Systems, getting there has. We're celebrating this alliance by offering CTS clients an introductory 20% savings on our magical Tour of Tuscany-Chianti Classico (June 7th-14th) or the scenic Abruzzo Appennini Tour (June 15th-22nd). We've been producing world-class cycling vacations to France & Italy since 1985 so take your training on the road with us. For more details on these and other trips, simply visit [www.breakingaway.com](http://www.breakingaway.com) or give us a call at 310-377-9806. Non-cycling spouses are always welcomed.
